US Pat. 5809286 - Filed May 1, 1996 - MCI Communications Corporation

See, the commonly-assigned, co-pending, related application, "Method and Apparatus for Emulating a Digital **Cross-Connect** Switch **Network** using a Flexible

...

Connection management system and graphical user interface for large-scale network ...

US Pat. 6957263 - Filed Nov 19, 2002 - Fujitsu Limited

7, a user can **provision** a crossconnect by simply drawing a line from a channel in the source **network** element to a channel 5 in the destination **network** ...**System and method for managing fiber-to-the-curb network elements**

US Pat. 5935209 - Filed Sep 9, 1996 - Next Level Communications

In one embodiment, the EMS 150 displays dynamic **cross-connect** ... as the operator can **provision network** elements from any location with Internet access.

...

Sonet overhead server

US Pat. 5365518 - Filed Mar 2, 1992 - Alcatel Network Systems, Inc.

Re-routing of packets to other **network** elements. Communication with the SONET **cross-connect** control via the communication link 136. ...**Method of providing a user interface for a digital cross-connect system**

US Pat. 7290218 - Filed Apr 3, 2003 - AT&T BLS Intellectual Property, Inc.

The system of claim 26 wherein said host system further includes a **network** in communication with said host system and said digital **cross-connect** system and

...

Line testing in a telecommunications network

US Pat. 6002746 - Filed Jul 9, 1997 - British Telecommunications public limited company

The secondary **cross-connect** point 42 is housed in a junction box which may be... One of these test facilities is the **provision** of a test tone for use in ...**[APPLICATION] Method and apparatus for managing and graphically representing elements in a network** ...

US Pat. 10643625 - Filed Aug 25, 2003 -

The **cross-connect** state of "Improper Disconnect" occurs when ... NE4 or NE6) while **displaying** the status of such **cross-connection** in the status icon 404. ...**[APPLICATION] Connection management system and method for large-scale optical networks**

US Pat. 11163112 - Filed Jun 21, 2005 -

7, a user can **provision** a crossconnect by simply drawing a line from a channel in the source **network** element to a channel in the destination **network** element

...

Network management systems that receive **cross connect** and/or other circuit ...
